

Board of Directors Directory

Board Information: TLPOA members elect a nine (9) person Board of Directors to oversee the operation and services of the Association. Such items include, road maintenance, snow plowing, security, fire safety, building plan approval, new construction compliance, safety, owner and community services, employee issues, office operations, web site maintenance, CC&R's and accounting. Members of the Board are elected to three-year terms. The terms are staggered so that three (3) Board members are up for election each year.

The Board members are unpaid for their services but are willing to help address issues that affect everyone on the mountain. We are property owners, like you. Please contact us if you have a concern, suggestion, complaints or even the occasional compliment. We welcome your participation in all owner and open Board meetings.

Monty Botosan: President
