To Whom It May Concern:

The fire station in the Timberlakes subdivision is located at 2085 Timberlakes Drive. This is a volunteer station with equipment and vehicles that will be used when responding to incidents within the area.

Please refer to our website at www.wasatchfire.org if you have any questions about our department regarding our ISO protection class as a county (4/4X), stations, and equipment. You can access this information by going to the About WFD drop down and selecting homeowners insurance.

Wasatch Fire District requires hydrants to be located within the required distance of each structure.

If there are any other concerns, have your insurance agent contact the ISO for clarification of the rating classification for your property.

Please feel free to reach out to our office at the number listed below if you have any other questions or concerns regarding this matter.

Respectfully,

Eric Hales
